

GENERAL OTIS STANDS FIRM

Refuses to Cease Hostilities Against Rebels.

MUST AGREE TO SURRENDER UNCONDITIONALLY

Second Conference Between Americans and Filipinos Took Place This Morning, Without Result—Enemy Renewed Request Made Yesterday—Frankly Admit That They Are Whipped—Contention Was That Aguinaldo and Other Leaders Could Not Surrender Without Sanction of Their Congress—Armistice Refused on Those Grounds.

Washington, April 29.—[Special]—Gen. Otis wired this morning that he refused to cease hostilities unless the insurgents agreed to surrender unconditionally.

The only concession made by Otis during the conference was an offer of amnesty to the Filipinos, conditional upon their surrender. President Schurman of the Philippine commission, expects the Filipino envoys to return with a new position.

Refused the Armistice Proposed.

Manila, April 29.—[Special]—Gen. Otis has refused the armistice proposed by the Filipinos and the Filipino envoys returned to the insurgents' lines this afternoon.

Otis Receives President's Message.

Washington, April 29.—[Special]—General Otis this morning acknowledged the receipt of the message of congratulations from the president as follows: "Received congratulations from his excellency, the president, for which all are grateful, and will be conveyed as directed."

Surrender the Inevitable Result.

Washington, April 29.—[Special]—The fact that the second conference between Gen. Otis and the Filipinos is barren of result, seems to discourage no one in official circles here.

It was not expected the rebels would surrender without a good deal of parleying. Those negotiations may delay the inevitable result, it is believed, but they cannot prevent a final surrender.

Will Surrender Under Condition.

Madrid, April 29.—[Special]—The Manila correspondent of a newspaper here, telegraphs that Aguinaldo will surrender on the condition of the independence of the Philippines be recognized under the American protectorate.

No News Regarding Lieut. Gilmore.

Washington, April 29.—[Special]—The navy department has received no word from Dewey regarding the report that Lieut. Gilmore and crew from the gunboat Yorktown were safe as prisoners in the hands of the insurgents at Baler.

SECOND CONFERENCE WAS HELD

Otis Emphatically Refused Armistice on Conditions Asked.

Manila, April 29.—[Special]—A second conference between Gen. Otis and the Filipinos took place this morning, and lasted three hours. It was again without result. Admiral Dewey and President Schurman of the Philippine commission attended the parley. The Filipinos simply renewed their request made yesterday. They frankly admitted that the Filipinos were whipped and they knew it. Their contention, however, was that Aguinaldo and the other leaders could not surrender without the sanction of the Filipino congress.

Gen. Otis emphatically refused the armistice on these conditions. It is believed that the Filipinos will finally surrender on the best terms possible.

Manila, April 29.—Col. Arguelles and Lieut. Bernal, members of insurgent Gen. Luna's staff, came through the American lines near Calumpit Friday morning and arrived in Manila to consult with Gen. Otis regarding peace negotiations. They report that Aguinaldo is at San Isidor.

In an interview with Gen. Otis at the former Spanish governor's palace in Malacanang the American commander said:

"The insurgents thought that their position on the river bank at Calumpit was impregnable. They made a successful stand against the Spaniards in 1896. Our success in storming their strong intrenchments has demoralized them, and the people are ready to give up the fight.

"As to the emissaries which have been sent by Gen. Luna, my opinion is that they desire to gain time. They say that they wish to submit the question of continuing the war or not to their congress, meeting in May. These leaders think that they represent the Filipino people.

Absolute Surrender Only.

"I answered that I would be glad to receive emissaries from the insurgent congress, providing they came with a proposition for an absolute surrender. These were the only terms I could consider.

"The emissaries would not agree to this, as they thought it contrary to the dictates of honor. The emissaries

added that 'if peace was forced upon them it would not be permanent.'

The insurgents attacked the Americans at Naguig Thursday, killing two of our men and wounding twelve. They were subsequently repulsed by five companies of the First Washington and three companies of the Twelfth infantry. There are indications that a considerable force of the enemy are gathered in that vicinity.

The insurgents are constructing breastworks on the shore of Laguna de Bay, and have one piece of artillery mounted.

Another Conference Today.

Manila, April 29.—The Filipino advances for peace have been fruitless. The representatives of Gen. Luna were requested by Aguinaldo to ask Gen. Otis for a cessation of hostilities in order to allow time for the summoning of the Filipino congress, which body would decide whether the people wanted peace.

Gen. Otis replied that he did not recognize the existence of a Filipino government. There will be another conference to-day.

Aguinaldo is evidently selecting the army as a cloak for his congress, hoping by subterfuge to overcome Gen. Otis' consistent policy of ignoring the Filipino government.

The Filipino's argument is that it is impossible to arrange an armistice without the sanction of the congress. Gen. Otis punctured this assumption by remarking that if Aguinaldo could make war without the congress, he could stop it without reference to that body.

While the insurgents are undoubtedly tired of war, the leaders are torn with dissensions. There is a suspicion that it was hoped by means of a conference to ascertain what they could expect. If they saw that anything is to be gained by continuing the war, an armistice would afford them an opportunity for recuperating their demoralized forces.

Approved at Washington.

Washington, April 29.—Instructions have been cabled to Otis approving his refusal to recognize the Filipino government as such, but advising him to give Aguinaldo time in which to consider the terms.

THE YORKTOWN'S SAILORS.

Captives in the Insurgents' Hands Are Alive and Well.

Manila, April 29.—The insurgents at Baler state that they have the missing men of the gunboat Yorktown and are holding them as prisoners.

Gilmore of Philadelphia; William Walton, chief quartermaster; John Ellsworth, coxswain; Lyman Paul Edwards, landsman; John Dillion, landsman; Paul Vandoit, sailmaker's mate; Charles Albert Morrissey, landsman; Ora B. The reception committee had planned for the regiment to make its entry into the city at 10 o'clock this morning, but no arrangements were made for feeding or sheltering the men while at Cedar Lake. solidation of Darkest America with John
W. Vogel's Afro-American minstrels, for
there certainly will be a hot time at the
Myers Grand where this monster alliance
is billed to appear this evening.

Exclusive of the many novelty and
specialty acts there will be given the
historic cake walk, with Peter Jackson,
Jr., master of ceremonies. Jackson is
the champion of all cake walkers and is
the proud possessor of more than thirty
medals won in competitive cake walks.

The cake walk proper had its origin
among the French negroes of the
south. It is the offshoot of the old
French country dances and was found
of convenience to the plantation negroes.
For at a cake walk a man might legiti-
mately show his preference for a woman
and thus publicly claim his wife. But
cake walking has improved and at this
time is a greater fad with the whites
than with the blacks. Society is the
greatest patron of the cake walk and
much enthusiasm is shown when the
prizes are to be given.

The cake walk with the Big Black
Alliance is open to all comers and to
the successful competitor a handsome
prize is awarded. Local walkers desir-
ing to compete will receive full infor-
mation by inquiring of Manager.

A new feature of "T. & T." brand of
coffee is the air tight cans in which it is
packed. There is no chance for the
strength of flavor to escape.

14 MEMBERS WERE INITIATED

W. G. Palmer Elected Delegate to Grand
Lodge A. O. U. W.

Olive Branch Lodge No. 36, A. O. U.
W. of this city, is evidently prospering.
Last evening at their regular meeting
at East Side Odd Fellows hall, fourteen
new members were initiated into the
mysteries of that order.

W. G. Palmer has been chosen a dele-
gate to represent the local lodge at the
Grand Lodge meeting to be held in
Milwaukee Tuesday, Wednesday and
Thursday, May 9th, 10th and 11th.

The local lodge won the banner for
greatest increase of membership in a
year and judging from appearances,
they intend to hold the prize if possible.

ENJOYABLE DANCING PARTY

Given Last Evening Under the Auspices
of the Husk Lyceum.

A social dancing party was given at
East Side Odd Fellows hall last evening
under the auspices of the Husk Lyceum
of the High school and was heartily en-
joyed by those present. In the neigh-
borhood of sixty couples of young peo-
ple participated in the festivities of the
evening which continued until after mid-
night. The music was furnished by the
Imperial orchestra of four pieces which
gave excellent satisfaction. The com-
mittee of arrangements consisted of Col-
ins Samuels, Harry Atwood and Walter
Pitcher.

MARKETING SEASON
FOR '98 CROP OVER

LITTLE EFFORT TO GATHER
THE REMNANTS.

Farmers Too Busy to Devote Any
Time to Buyers—Packing Season
Also Drawing to a Close—No Sales
Reported—Some Important Trans-
fers Among Packers.

The Edgerton Reporter in speaking of
the Wisconsin tobacco market has the
following to say:

The marketing season for the '98 crop
of tobacco is practically over. There is
but very little effort now being made to
gather in the remnants remaining in
growers' hands and the farmers are
much too busy with other work to de-
vise any time to buyers were they dis-
posed to call. The packing season is
also fast drawing to a close. A number
of firms are still running their ware-
houses, but a week or so more will see
this work mostly over. The extreme
heat of the week has commenced to warm
up the tobacco somewhat, though but
little trouble is anticipated from this
circumstance. For the first time since
the market opened we have no sales to
report.

There is quite a little hustling among
the packers, however, and some impor-
tant transfers have taken place. There
is a good present demand for desirable
old stock. George M. Underhill has
purchased nearly 500 cases of short
goods of local packers for the account of
Schroeder & Bon and Andrew Jenson
140 cases of '94 and '95. Mr. C. D.
Collins, of the Collins Cigar Co., Pitts-
burg, is in the state and in company
with F. S. Baines has purchased 260
cases old leaf and some 500 cases of '98.
Mr. Baines also reports the sale of 170
cases of '93 and '95 goods. We under-
stand John Holton has sold 160 cases of
'97 B's to P. O. Rinde. C. L. Culton
reports the sale of 202 cases of '98.

The farmers have been putting out
their plant beds freely during the week,
and while the weather has been warm
and pleasant rain is needed to bring up
the young plants quickly.

The shipments out of storage reach
7000s to all points from this station dur-
ing the week. Since last report 775s
of cigar leaf were exported from New
York.

MONDAY, LADIES' FREE NIGHT

All Next Week a Great Show for Little
Money.

Monday night at the Myers Grand
will be similar to "bargain day" at some
of our big stores, for each lady accom-
panied by the holder of a 30 cent ticket
will be admitted free, the occasion being
the opening performance of Ferris' Com-
edians in their great musical comedy
"On the Ohio." Lay aside your house-
hold duties and enjoy an evening of
pure, unadulterated fun, mingled with
pretty songs, dances, etc. As Ella
Wheeler Wilcox says:

Laugh and the world laughs with you,
Weep and you weep alone.
This grand old earth must borrow its mirth,
It has grief enough of its own.

See that your husband gets tickets
early. Every purchaser of a 30 cent
ticket is entitled to bring a lady with
him free of charge; both seats can be
reserved at the same time. Two ladies
will be admitted on a 30 cent ticket. Get
them at once.

WALK REPAIRERS HAVE FUN

Makes Quite a Difference As to Who
Stands the Expense.

Street Commissioner Frederick's men
who have been repairing walks through-
out the city this week encountered many
comical situations.

"In the second ward we encountered
an old man whose walk was in bad
shape," said one of the men today.
"Thinking that he would have to stand
the danger the old man said that only
two places in the entire walk needed
repairing. I then informed him that the
city stood all the expense. Quicker
than a flash the old man went to work
and pulled up a dozen rotten boards and
before he had finished his
work he showed us where
fully fifty spots needed repairing.
We then informed him that the city did
the work but that it was afterwards
charged to the individual property
owner. He nearly fainted."

OF AN INCENDIARY ORIGIN

Thought That Fire Bugs Are Responsible
For Damage.

An alarm of fire was turned in at
12:35 o'clock this morning from box
515, located at the Five Points. The
department responded promptly and
upon their arrival, discovered that a
portion of the residence property owned
by Mrs. Katherine Dolan was a mass of
flames. The property is located on Wall
street, directly east of Mrs. Dolan's
home residence, corner of Terrace and
Wall streets.

Mrs. Frank O'Brien, who discovered
the fire, says the building has been fired
twice before and was unoccupied, as in
the present instance.

The fire had gained good headway
and had it not been for the timely ar-
rival and efficient work of the fire lad-
dies the entire structure would no doubt
have furnished fuel for the angry flames.
There was an insurance of \$400 on the
house, which will fully cover the loss,
providing the vacancy clause is in the
policy.

WRITES FROM HONOLULU

Interesting Letter Sent by John McElroy
to His Home in This City.

Mr. and Mrs. Horace McElroy are in
receipt of an interesting letter from
John McElroy, who is now in the hospi-
tal service of the United States army.

Mr. McElroy is now on his way to
join the army under General Otis, and
his letter was mailed from Honolulu.

He says that the transport on which
he left San Francisco was eight days in
making Honolulu, and that from Hono-
lulu to Manila he expected it would take
at least thirty days.

Accommodations on the boat were
first class, but the greater portion of the
soldiers aboard—including himself—
were sea sick for several days.

It Is Good Coffee.

Not a common, cheap pick-up article
is this National Blend coffee we are sell-
ing at 20 cents per pound. It has the
body and quality that make it worth
every cent of 30 cents a pound. The
rapidity with which it is going shows
that it is an appreciated bargain. The
people who buy it are telling their
friends about it. Sanborn.

"In Union

There is Strength."

The strength of every
human being consists in the
union, the harmonious work-
ing together, of every part of
the human organism. This
strength can never be ob-
tained if the blood is impure.
The blood goes to all parts.
Purify it, or there can be no
"union" and therefore no
health or "strength."

Hood's Sarsaparilla is the standard
prescription for purification of the
blood. It never disappoints.

Bad Blood—"I could dance for joy for
what Hood's Sarsaparilla did for me in
curing those terrible burning sores on my
leg. Seven doctors gave up but Hood's
cured me. My gratitude is unspeakable."
THOMAS BENNETT, 175 Sycamore St., Roslin-
dale, Mass.

After Fever—"Typhoid fever left my
little girl very weak and thin and with no
appetite. She is now fat and well and
Hood's Sarsaparilla made her so. It cured
my husband's rheumatism." Mrs. CLAYTON
B. COPE, Buckingham Valley, Pa.

Rheumatism—"I had rheumatism for
five years and can conscientiously say that
Hood's Sarsaparilla has given me entire
relief. As a blood purifier it has helped my
children wonderfully." Mrs. S. A. SAGAN,
83 Franklin Avenue, Passaic, N. J.

Malaria—"Exposure in the civil war
brought on malaria and its germs have
hung around me developing into sharp
neuralgic pains. Hood's Sarsaparilla cured
me promptly." MOSES W. EMERSON, Photo-
grapher, Lowell, Mass.

Ulcers in Stomach—"Medical science
is exhausted," said the doctors. "We can
do no more for those ulcers in your stom-
ach, nor stop the hemorrhages." I took
Hood's Sarsaparilla and in six months was
perfectly well. Several years have passed
and I am still well." Miss LEMIE HUNTLEY,
26 Garfield Street, Portland, N. Y.

N. B. Later letters tell the same story.
Hip Disease—"I had running sores for
eight years on my hips. I was confined to
my bed at times and at others used
crutches. Hood's Sarsaparilla cured my
hip and gave me permanent health." OLIVER
J. ARCHER, 139 Dudley Street, Dayton, Ohio.

FACTS ARE STUBBORN

Janesville People Are Not Convinced By Local Testimony They Differ From Other People.

Our readers must have noticed in the past two years how "cures" have multiplied in the newspapers like mushrooms in a meadow, and following the plethora of "cures" the general public have turned remarkably skeptical. Facts are demanded, but it has also become essential to know who supplies them, where are they from, in fine, whom have you cured. Doubting Thomas would not accept a paralytic cures on the other side of the continent. He wants it at home. "Give us some neighbor, then I will believe," is what he asks for. Well Doan's Kidney Pills do this. Call it what you like, at home, local or neighbors testimony, you can always ascertain the truth of it without leaving Janesville.

Here is a case: Mr. John Stetson, of Hotel Myers, day clerk, says: "I was thoroughly examined by a physician some time ago who pronounced my trouble kidney complaint. If the severe pain across the small of the back is any indication of the said complaint, I guess I had it. For two years I suffered with attacks which when not virulent there existed a dull, grinding ache, which robbed me of considerable energy. I used in addition to doctor's prescriptions, several preparations said to be sure cures for kidney complaint, but up until I procured Doan's Kidney Pills at the People's Drug Co's drug store, I received little if any permanent relief. I took a thorough course of treatment prescribed by Doan's Kidney Pills and it cured me. Up to date, and it is some months since, I have not noticed any recurrence of my old trouble."

Doan's Kidney Pills are sold by all dealers. Price, 50 cts. Sent by mail on receipt of price. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name, Doan's, and take no other.

WEEKLY REVIEW OF TRADE.

Foreign Difficulties Have in No Way Hampered Business.

EXPORTS FALL OFF SLIGHTLY.

Boot and Shoe Industry of the Country Makes the Best Showing—Failures Show a Gratifying Decrease—Wheat and Corn Shipments.

New York, April 29.—R. G. Dun & Co.'s weekly review of trade says:

"All elements considered, it is rather surprising that business has not been set back a little. The uncertainty about Samoa and the prolonging of the difficulty in the Philippines might have counted for something, the rising imports and falling exports for something; the rise in foreign exchange, by some attributed to foreign sales of copper stocks, and the hindrance of manufacturing orders owing to the recent advance in prices. But there has been full faith that foreign difficulties would soon be cleared away. The state of foreign trade justifies confidence rather than apprehension. The cotton manufacture has made little change, and the strikes following the advance in wages give appear to have benefited manufacturers not a little by helping the demand and curtailing the supply of goods. The boot and shoe industry surpasses all other years in April shipments, last year by 11 per cent, 1895 by 13 per cent, and 1892 by 45 per cent. Bessemer pig is unchanged at Pittsburg and gray forge strong at \$14.50, though 10,000 tons of southern have been sold here at \$14.20.

"Failures for the week were 184 in the United States, against 262 last year, and 23 in Canada, against 18 last year."

Bradstreet's reports wheat and corn shipments for the week as follows: "Wheat (including flour), 3,028,283 bushels, against 2,932,959 bushels last week. Corn exports aggregate 2,615,079 bushels, against 3,091,940 bushels last week."

Women in Business

Business men often express the opinion that there is one thing which will prevent women from completely filling man's place in the business world—they can't be depended upon because they are sick too often. It is true that many women are compelled to look forward to times when they are unable to attend to social or business duties. Their appearance plainly indicates their condition and they are reluctant to be seen, even by their friends. Read what a business woman says to such sufferers:

Mrs. C. W. Mansfield, of 58 Farrar St., Detroit, Mich., says: "A complication of female ailments kept me awake nights and wore me out. I could get no relief from medicine and hope was slipping away from me. A young lady in my employ gave me a box of Dr. Williams' Pink Pills for Pale People. I took them and was able to rest at night for the first time in months. I bought more and took them and they cured me as they also cured several other people to my knowledge. I think that if you should ask any of the druggists of Detroit, who are the best buyers of Dr. Williams' Pink Pills they would say the young women. These pills certainly build up the nervous system and many a young woman owes her life to them."

"As a business woman I am pleased to recommend them as they did more for me than any physician and I can give Dr. Williams' Pink Pills for Pale People credit for my general good health to-day."

The hardest part of a woman's life is made easy by Dr. Williams' Pink Pills for Pale People. Our new book "PLAIN TALKS TO WOMEN" tells how. A copy sent free to any address on request.

The wrapper of the genuine package is printed in red ink on white paper and bears the full name. Look for the seven celebrated words.

THIS DAY IN HISTORY.

1441—King Edward IV. of England born; son of the Duke of York; died 1483.
1676—Michel Adriaenszoon de Ruyter, or Ruyter (pronounced Roi-ter), famous Dutch admiral, died; born 1627. De Ruyter distinguished himself under the famous Van Tromp in the battles with the English in 1653. In the service of Denmark he defeated the Swedes in 1659, and in 1671 commanded successfully the Dutch fleet against the combined naval forces of England and France. He was killed in a battle against Admiral Duquesne's French fleet.
1743—Abbe Charles de St. Pierre, French philosopher, died.
1818—Alexander II. of Russia, son of Nicholas, born; crowned Sept. 7, 1856; assassinated March 13, 1881.
1827—Rufus King, American statesman, died at Jamaica, N. Y.; born 1753.
1894—Francis B. Stockbridge, senator from Michigan, died in Chicago; born 1837. Major Joseph Kirkland, well known veteran and author, died in Chicago; born 1830.
1896—Levi B. Taft, an eminent Michigan jurist, died at Pontiac; born 1832.
1898—Cervera's squadron sailed westward from the Cape Verde islands.

PASSING OF THE PASS.

An anti-pass bill that fully covers the case has been adopted by both branches of the legislature, and will soon become a law. Section one prohibits the offering to any public officer of "any free pass or frank, or any privilege withheld from any person, for the traveling accommodation or transportation of any property, or the transmission of any message or communication."

Section two prohibits the acceptance of such favors. Section three imposes a penalty for violation of from one to five years imprisonment, or a fine of from \$200 to \$1,000. Section four declares that no witness shall be privileged from testifying, but that such witnesses shall not be liable to prosecution. Section five is the usual enacting clause.

Thus has the republican party kept faith with the people. The law appears to fully cover the ground, and applies to all public officers, state, county, municipal and township. Plans should now be made to enforce it to the letter and thus completely smother the iniquitous system.

The Roehr lobby bill is now a law, and hereafter all lobbyists will be compelled to register their names and state their business. In addition the companies, corporations, or persons employing lobbyists, will be required to file a statement of the expenses of their representatives within thirty days after the adjournment of the legislature.

A news dispatch says that the Walnut Street Baptist church of Louisville, Ky., has adopted resolutions practically dismissing from the congregation all members who have any connection whatever with the manufacture or sale of intoxicating liquors. And this in Kentucky, too!

Assemblyman Hall is much pleased because of the adoption of the anti pass law, for which principle he has been fighting for nine years. He also makes the announcement that he is done with politics, and will never be a candidate for office again.

The legislature has made an excellent record, and the platform pledges have been well carried out so far. Governor Field is entitled to much credit for his decided stand in favor of the people, and the legislature has performed its duties faithfully and well.

While we must admit that the American officers talk more than the officers under other governments, we should not lose sight of the fact that they also have more to talk about.

And it will behoove the ducks, when the glad spring time shall come again, not to be geese, either materially or in the way of a figure of speech.

Prosperity has become so general that even our democratic brethren can afford ten-dollar-a-plate banquets in spite of the "crime of '73."

And with the closing of Captain Cogblan's mouth, the "incident" is also closed.

Monday is "Dewey day" and all Janesville people should fly the flag.

The new horseshoe trust should certainly be a lucky combination.

The Racyle.

is the only wheel that has a Correct Crank Hanger.

If you will call I will be glad to show it to you. The bearings are at the END of the shaft, not in the middle.

No Unnecessary Leverage, or friction. The sprocket wheel runs BETWEEN the bearings.

Be sure and see it.

ONE YEAR SINCE THE SOLDIERS LEFT

ANNIVERSARY OF MOBILIZATION OBSERVED HERE.

Several ex-Members of Company A Remembered the Day Yesterday by Having a Social Time—in Other Cities the Day Was Given Over to Celebration.

Several local members of Company A observed yesterday as a holiday in honor of their departure from the Bower City to enter the Spanish-American war.

It was just one year ago yesterday that all Janesville turned out to escort their soldier boys to the depot, where they took their departure for Camp Harvey at Milwaukee amid the shouts of thousands and the playing of national air by the bands.

It was a day to be remembered by the citizens of Janesville, for never was such a send-off accorded departing heroes in any city in the union.

The changes that have taken place since that memorable day have brought sorrow into many homes.

One year ago yesterday the First, Second and Third regiments and four companies of the Fourth regiment of the Wisconsin National Guard, responding to the call for troops of Governor Scofield, were mobilized at the state fair park, which was named Camp Harvey. By night 3,000 soldiers under arms were ready for service under Uncle Sam in his war against Spain.

The Wisconsin soldiers remained at Camp Harvey until May 14, when the Third regiment left for Chickamauga, and on the following day the Second regiment left for the same place. A week or so later the First regiment was ordered to Tampa, but while en route received orders to go to Jacksonville, where it remained until it was ordered home in September. The Second and Third regiments later were ordered to Porto Rico where both served with credit, being at all times the advancing regiments of General Miles' expedition.

VEHICLES, don't forget the place. F. A. Taylor & Co.

SEVENTY-THREE
WILL GRADUATELARGEST HIGH SCHOOL CLASS
FROM HERE.

Twenty-Six Boys on the List as Well as Forty-Seven Girls—Exercises at the Myers Grand Opera House in June—A Small Admission Fee Will Be Charged.

Seventy-three scholars will form the graduating class of the Janesville High school for the year 1899.

This is the largest class that has ever graduated in this city and is one of the largest to leave any high school in the state of Wisconsin.

The class this year embraces twenty-eight boys and forty-five girls.

Exercises will be held at the Myers Grand Opera house on the evenings of June 5, 6, 7 and 8, the program each evening being in the hands of different scholars, for the reason that the class is so large.

The stage will be handsomely decorated with school colors and the boxes each evening will be occupied by the graduates who do not take part in the evening's program.

Prof. D. D. Mayne will preside each evening and the awarding of diplomas will take place on the last night.

A small fee of admittance will be charged so as to keep those away who would otherwise only attend out of curiosity sake and thus monopolize valuable space.

The program now being arranged is one of the most interesting in a general way that has ever been given.

On the evening of June 9, the Alumni will in all probability hold forth.

Owing to the illness of Victor Marquisse, who was selected to take one of the leading parts in the Junior class play of the High school this year, it was decided yesterday to postpone the production until the fall term.

Those who will graduate are:

Misses—

N. O. CLARK HIGHLY HONORED

Elected President of the Northwestern Flour Salesmen's Association.

A Janesville man was placed at the head of the Northwestern Flour Salesmen's association at the meeting held at Dubuque, Iowa, yesterday. The officers elected were:

President—N. O. Clark, Janesville, Wis.

Vice President—C. S. McLain, Beloit, Wis.

Secretary—A. S. Tiffany, Marshalltown, Ia.

Treasurer—H. M. Holton, Waukesha, Wis.

The meeting was attended by about forty salesmen and a dozen millers. They gather every three months for a social session in some town in the northwest and chose Dubuque as the place for this gathering.

One of the sales said to a reporter that the gathering is solely for the purpose of promoting cordiality among the salesmen and that business is eliminated.

While this is a convention of salesmen there were several millers in attendance. There is represented an aggregate capital of \$150,000,000 by men from the states of Minnesota, Iowa, Wisconsin, Dakota and Illinois. There are thirty-five big mills in these states.

All the salesmen dined together in the Hotel Julien and in the afternoon assembled for friendly intercourse. Janesville was represented by Mr. Clark and J. S. Kearney.

CRICHTON CASE IN
SUPREME COURTJUDGE BENNETT'S RULING IS
UPHELD.

Case Will Be Tried Over Again, But This Time It Goes to Darlington—Crichton Died in Janesville, Leaving Valuable Property to a Niece, Nephew and Sister.

When John Crichton, who, died in this city two years ago, made his will leaving his entire wealth, estimated at \$10,000, to a niece, a sister and a nephew, no doubt he little thought that trouble would result that would take the matter into the state supreme court for settlement, but such is the case.

At Madison this week, the supreme court rendered their decision upholding the ruling of Judge John R. Bennett of the Rock county circuit court, who granted an appeal from Judge Sale's court.

By the decision of the supreme court it means that interested heirs will commence again to fight for the possession of Crichton's wealth.

The case has been taken to La Fayette county and next June will be tried before Judge Clementson.

John Crichton for many years made Janesville his home, residing for some time with his sister, Mrs. Margaret Davidson.

At the time of the death of Mr. Crichton his will was opened and it was found that he left all of his property—valued at \$10,000—to a niece, Margaret K. Davidson, a sister, Mrs. Margaret Davidson, and a nephew, Louis Green.

On the grounds that Mr. Crichton was incompetent to make a will, Annie Oakley and Margaret Moriarity, daughters of the deceased, residing at Milton, and Thomas Crichton, a son residing in Walworth county, contested the will.

When the case was tried in Judge Sale's court, the court found in favor of the contestants.

The niece, sister and nephew then made an application to the Rock county circuit court to permit an application from Judge Sale's decision.

Judge Bennett granted the petition, and the heirs then took an appeal from that order to the supreme court, which this week affirmed Judge Bennett's ruling.

Fethers, Jeffries & Mount appeared in the supreme court for the niece, sister, and nephew, and W. A. Jackson B. F. Dunwiddie for the contestants.

The issues in the case will now be tried over again next June at Darlington, and the outcome will be awaited with much interest by local heirs.

DEMISE OF MRS. WORTENDYKE

Mother of I. F. Wortendyke Died Suddenly Last Evening.

I. F. Wortendyke, of this city, received a message this morning from Woodliff, N. J., announcing the death of his mother, Mrs. Frederick Wortendyke. Her demise was the result of a stroke of paralysis, death ensuing last evening almost without warning.

Mrs. Wortendyke and her husband spent several weeks in Janesville last winter, and her demise will be mourned by those in this city who made her acquaintance and who loved and esteemed her for her many womanly ways.

Mr. Wortendyke left for the east this noon.

THE NEW GAME LAW
IS NOW IN EFFECTHUNTERS MUST NOT GO OUT
TOMORROW.

Warden Ellarson Gives Notice That All Violations of the Anti-Spring Shooting Regulation Will Be Enforced—"General Law" Becomes Effective September 1—Its Provisions

Janesville hunters should bear in mind the fact that the law against the shooting of ducks in the spring has gone into effect and that those who shoot Sunday will run the risk of being arrested and prosecuted. Under the old law the open season would have expired on Monday, the first day of May, so the effect of the new law will merely be this year to cut the season short by two days. Reference has been made in the Madison dispatches to the game laws going into effect on the 1st of September. This is misleading, as this applies only to that section of the game laws relative to gun licenses. It is the close season for hunting birds and water fowl in this state from May 1 to the 1st day of September, but the new law against spring shooting cuts it short this year by going into effect at once. Under the new game code the season will close on the first day of December after the season opens September 1. State Game Warden Ellarson has notified all of the deputies to enforce the law relative to spring shooting at once.

The "General Law"

The "general law" provides that all resident hunters be required to pay an annual license of \$1. It is, however, provided that it shall not be necessary to pay any license to hunt prairie chickens and partridge, provided such hunting is done without a dog. If a dog is used a license must be paid. All non-resident hunters are to pay \$10, non-resident deer hunters are to pay \$25. Provision is made for thirty deputy state wardens, and it is provided that the money received from licenses shall be used to pay these wardens. The bill is to go into effect September 1.

3 Attraction for SATURDAY...
75c Ladies' Fine Low SHOES, cool and comfortable; small sizes—23, 3, 3 1/2, 4 and 4 1/2—narrow widths, tan and black. These are all good dependable Slippers taken from our regular stock, single pairs, not the latest styles, ranging in price from \$1.50 up to \$2.00, but to close them out quick we have marked them 75c for Saturday—would make a good summer shoe for little girls.

\$1.25 Ladies' Fine LOW SHOES—sizes 23, 3, 3 1/2, 4, 4 1/2 and 5—all widths. There are still a few pairs of those fine low shoes left. Nearly all sizes in the lot that were advertised yesterday at \$1.25. Come, carry them away at \$1.25. There are slippers in the lot that are actually worth \$2.50, but it is our object not to let any single pair lots accumulate.

\$1.50 Ladies' Fine DONGOLA SHOES—button or lace—new round toes, kid tip and patent leather tip, all sizes; would be called a bargain at \$2.00 elsewhere.

17 pieces will be played by the GRAMOPHONE all day long. This alone would be worth coming for. Bring the little ones; they are all welcome.
